

Hello!

I am interested job in your company in the position "Front-end Developer". Please examine my candidacy. I have attached my CV in PDF format to this letter.

A few words about me. My name is **Yuri Belyakov** and I'm a front-end developer from Russia. I have been doing web development since 2004. During this time I have worked on many interesting projects for companies [Netcracker Technology](#), [Yandex](#), [Art. Lebedev Studio](#). My resume contains more detailed information.

My wife has EU citizenship and lives in Italy now. So I'm looking for a new job in a company that is located in Europe and I am ready for relocation to another country.

If my candidacy interests you, please contact me by [email](#) or chat in [Skype](#).

Thank you.
